**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been a Sonic.net customer for several years because I don't want my internet browser history sold off to the highest bidder or throttled. Sonic's policies are more favorable to the subscriber than big telecom offerings.

Removing small ISPs from the marketplace is clearly a move to support telecom monopolies (or near-monopolies). If companies like Sonic are eliminated, you should expect their customers to notice and vote accordingly.
